

SENIOR ACCOUNTING ANALYST

Eye-Care Retail Industry

WHAT'S THIS ABOUT?

Our client, a well-established organization headquartered in Montreal, Canada, boasts a network of more than 450 retail locations specializing in prescription and non-prescription eyewear, contact lenses, sunglasses and accessories.

The Senior Accounting Analyst will hold a pivotal role within the accounting department, directly reporting to the Accounting Manager. In this position, you will actively engage in various accounting functions, including managing month-end closing procedures, analyzing financial statements, and acting as a liaison between the finance team and FP&A partners. Additionally, you will be responsible for managing a team of 2-3 accounting analysts, where you will establish clear performance expectations and drive timely task completion. Your leadership will play a crucial role in ensuring the accuracy of financial data capture and processing.

ABOUT YOU

- CPA designation (preferable)
- 4-5 years of accounting experience or a similar role
- Fluent in both spoken and written French and English
- Advanced proficiency of Microsoft Office
- Knowledge of Great Plains or other ERP systems (an asset)
- Strong analytical and organizational skills with meticulous attention to detail
- Excellent team player with exceptional multitasking abilities

ABOUT US

- Competitive salary of **\$90k+**
- Comprehensive collective insurance, including dental care
- The opportunity to choose a free pair of glasses annually
- Flexible work options - in-office or remote (based on team needs)
- Free parking
